Dr. Thompson handed out information on school enrollment for the year 2011-2012 and discussed how the open enrollment process works and how the district is paid for each student.

Connie Grisim spoke about the upcoming events the Chamber is sponsoring. Nov 3rd there will be a luncheon at Tarsillas for brainstorming to shop local. They are working on a coupon book. Nov 29th is the Chamber quarterly meeting. Dec 3rd Parade of Lights which also includes a silent and live auction for decorated trees and a lighting of the tree at City Hall. Dec 9th will be a couple's night out at the Civic Center with more details to follow.

City of Racine will host the next joint meeting.

City of Stewartville reported the street project on 1st Ave SE is almost complete. They will be starting the project behind the Fire Hall on 2nd Avenue soon. The EDA is working on promoting and improving main street. Bear Cave softball complex has the new lights and we are working on some marketing for tournaments. The pool had a great year with attendance. They are working on expanding the trail system adjacent to the middle/high school campus with the school board. Working on connecting the trail from the bridge out to Dr Trulson's office.

Bill Schimmel thanked everyone for attending and participating.

Meeting was adjourned at 6:30pm

Respectfully submitted,

Laurel Jacobs
